This **Saturday, 11th February** we have our **Opening of School Year Mass at 6.00pm** in the church. We invite all families to share in this liturgy to welcome the new school year. At this Mass our Year 6 students will be presented with their leadership jackets and our Prep students will be presented to the school and parish community. This will also be the **Commitment Mass** for students making the Sacrament of Reconciliation this year. Mass will be followed by a BBQ dinner. We look forward to seeing all families at this important event.

On Monday, the Reconciliation Reflection Night was held for parents of children wishing to make the Sacrament of Reconciliation this year. As part of the preparation for this Sacrament students **MUST** attend one of the **Reconciliation Commitment Masses** this weekend the 11th (Opening of School Year Mass) and 12th February.

Thank you to Staff and commUNITY@StJoes team for organising and funding the **Coffee van** on Monday to Welcome Back families. Although the weather was not great it was lovely to see so many families enjoying a coffee and chat - a lovely way to welcome our new families to our school community.

Our **Parent Teacher Chats** will be held this **Tuesday, 14th February**. These meetings are an opportunity for teachers to gather information about the students in their classroom from their parents. **School concludes at 1.00pm** on this day to allow staff to meet with all families. (Aftercare will be available from 1.00pm). Notes have been sent home this week providing further information about the Parent Teacher Chats. Bookings will again be completed by families online or by contacting the office if you do not have this facility. Please note, that if your child has a PSG meeting you do not need to book a Parent Teacher Chat.

A reminder for Year 6 parents, the closing date for **Applications for Year 7 to Catholic Secondary Colleges for 2018** is **Friday, 17th February**. Please ensure that you have completed this process to avoid disappointment.
Our first **School Improvement Committee (SIC)** meeting was on Monday to plan for our first **Working Bee** on **Saturday, 18th February**. All families are encouraged to attend the working bee with the focus on preparing our grounds for the Parish Fete. The Parish has also scheduled a working bee for this day so it will be great to work in partnership. Families who attend the working bee will be re-credited the $100 Working Bee levy. (It is essential that you sign in at the start of the working Bee at 9am and sign out at the end to ensure that we have a record of your attendance and participation so we can deduct the working bee levy from your fee account.) We look forward to your attendance on the day; we need many families on this day to complete the many planned jobs.

The **2017 Parish Fete** is just over a month away on **Saturday, 25th March**. Please place this date in your diary. Over the coming weeks the Fete committee will also let you know how you can help and be involved to ensure the success of this event.

During the coming days all students will receive a “**Cybersafety Use Agreement**”. Could you please take time to go through this in detail with your child/ren before signing and returning this to school. Students will be restricted from using the internet at school for lessons until this form is received.

Students must wear correct **school uniform** to school each day. Students are not permitted to wear runners to school unless it is their sports day. Students not in correct uniform must bring a note from parents. **Simple earrings and watches are the only acceptable jewellery. Chains, dangling earrings and bracelets are a safety issue especially on the playground. Make up and nail polish are also not to be worn at school.**

St Joseph’s School is a **SunSmart School** - All students are required to wear an appropriate SunSmart school hat at all times between 1st September and 30th April when they are outside at play. Students without hats are required to sit in the designated shaded area during recess, lunchtime and during sporting or other outdoor activities.

Can you please ensure that your **child’s clothing and belongings are clearly named**. Already in a week we have found “new” clothes left outside and placed in the Lost Property basket. I appreciate that families spend good money to purchase school uniforms – if they are named we can hopefully return them to their owners.

**To encourage independence in your child** we ask you allow them to carry their own bags, to pack and unpack their own belongings and to follow classroom routines at the start and end of each day. Although it is often easier to do these things for them this does not allow your child to be independent and take on these simple responsibilities. It is also important that if you see your child to the classroom (and you are not staying as a classroom helper) that you leave promptly to allow your child and the class to settle into their daily program.

**Students arriving late to school MUST** be brought to the office by their parent and register this on the iPad at the front desk and collect a **late arrival card** at the office and take it to your child’s classroom. This is not only a legal requirement but also is essential if there was an emergency evacuation. School rolls are completed at the start of the day and without this being completed there is no record that your child is on the premises. If you are picking up your child before the end of the school day, you will need to register this on the iPad at the front desk and collect an **early dismissal card** at the office and take it to your child’s classroom when collecting your child. We thank you for your cooperation in this matter.
At the end of the school day, children can be met at their classroom, or alternatively they will walk to the designated pick up area located on the stairs at the front of the Administration building. A teacher will be on duty until 3.45pm. Supervision of students is from 8.30am—3.45pm. Supervision outside these times must be organised with Camp Australia our Before and After School Care provider.

If your child is celebrating a birthday and you wish to bring along food to share, this must be prearranged with the class teacher. When planning this, staff need to take into account food allergies and special dietary requirements. Prearrangement is crucial as we have students in the school who have anaphylaxis, **a severe peanut allergy which is life-threatening.** Students are also reminded not to share any food or drink as we have students with severe food allergies and Anaphylaxis. We ask to avoid providing Peanut Butter and Nut products in your child’s lunch to support these students. Please also discuss and stress with your child/ren the importance of washing hands following eating.

Finally, as a school community we greatly value our partnership with parents. It is lovely to see families in the classroom sharing in the Morning Prayer and meditation. However we do ask that if you are not staying as a Parent Helper for the morning session that you promptly leave the classroom after this morning routine. This allows students, staff and helpers to commence the instructional and learning part of the day. Thank you for your cooperation with this matter as it can be uncomfortable for teachers to ask you to leave.

Have a great week

David, Nick & Catherine (School Improvement Committee)
Dear Parents,
Welcome back! I trust that you have had a relaxing break and that your children are enthusiastic and ready to begin a new year. This year, our overarching theme “Gratitude” will be the foundation for all the learning undertaken at St Joe’s. To be truly grateful is the foundation to a happy life. It helps to build resilience and develop optimism. Gratitude is a key to wellbeing. Dr Michael Carr-Gregg, child and adolescent psychologist, sees Gratitude as one of the eight ‘Secrets to Happiness’. Through the use of class journals, in prayer time and through daily conversations, the practice of being grateful for all that we have will be developed throughout the year.

Our Buddy program will kick off in Week 3. All students will be allocated a buddy and will attend Buddy Time lessons on Friday afternoon every fortnight. The Buddy program helps our students see themselves as part of the whole student community. It gives them the opportunity to build relationships across the school and to practice the values of respect, acceptance, responsibility and friendship.

Buddy Time will provide your child with the opportunity to further explore gratitude.

Have a great week.
Liz Miller

Back to school asthma checklist

1. ASTHMA ACTION PLAN
See a doctor for a signed Asthma Action Plan or Care Plan. Most schools require an up-to-date plan for each student with asthma at the start of the new school year.

Evidence tells us that using an Asthma Action Plan can help to reduce hospitalisations, improve lung function and reduce the number of days off school.

While with the doctor, why not combine this with a check-up for your child’s asthma, including a check on their device technique.

2. RELIEVER MEDICATION
Check with the school about their medication policy and work with the staff to find the best way to manage your child’s asthma medication, including before physical activity (where applicable).

- Medication and devices are clearly labelled with your child’s name
- Medication is in date and with sufficient medication remaining

3. TALK TO SCHOOL STAFF
Make time to talk with the class teacher and the school nurse (where applicable) about your child’s asthma, their Asthma Plan and their usual triggers, symptoms and medication.

Also talk to your child’s sport coaches and supervisors of other school activities. Don’t forget to keep staff up-to-date with any change to your child’s asthma management.

Use this valuable time to:
- Go over your child’s Asthma Plan
- Discuss the signs of asthma for your child
- Show them your child's asthma medication and demonstrate how to use it
- Talk about the extent to which your child can self-manage their asthma
- Provide details of how to contact you when:
  - They have asthma symptoms
  - They use a reliever medication at school

With less than 7 weeks to go before our Fete there is a large amount of work to be completed in preparation for the event.

Planning for the event commenced less than a month after the last Fete so much of the heavy lifting has been done. However, as with every year, there are always plenty of small tasks required to ensure the day runs smoothly.

There are many ways you can help make the event another success for the schools, parish and community. Please consider some of the requests for help detailed in this newsletter. Most importantly we look forward to seeing you on the day.

This year’s Fete will include Art Master Classes where you have an opportunity to create an artistic masterpiece.

Aimed to provide an opportunity for budding artists (be them 5 or 96) to experience and explore their artistic skills these 20-30 minute workshops will be run by a local artist and allow you to create artwork on canvas. Look out for the sign-up sheets so you can secure a slot.

The colouring competition and Lego competitions will both be run again this year.

Entry forms and designs for both the Lego and colouring competitions will soon be distributed around the schools for all students to enter. Voting will occur on the day for both competitions with prizes being awarded to a number of sections.

Entry forms will be available soon.
**Kids Room Cleanout**

Do you have Lego?

As part of the Lego competition we are hoping to have a free construction activity at the Fete.

Assuming we have enough Lego for the event this will provide an opportunity for the young and young at heart to have some old-fashioned Lego fun.

If you have any unwanted Lego at home please contact your Fete representative to help us help you.

**One Person’s Trash Late Spring Clean?**

Have you been spending the Christmas holidays attending to that untidy garage or room?

If so, would you happen to have items you want to donate to the Fete for sale at their Trash & Treasure stall? These items could include books, toys, homewares, tools, furniture or more. Unfortunately we cannot accept clothes.

Please contact Lynn Stephens on 0402 148 505.

**Prepare the Ground Working Bee**

Come along to the combined working bee for St. Joseph’s Parish and St. Joseph’s Primary School.

To ensure a presentable and safe environment for our Fete visitors the Term 1 working bee is always an important task prior to the event. We will again combine the St. Joseph’s Primary School Term 1 working bee with the Parish working bee.

There are plenty of jobs to attend to including general cleaning, gardening, painting and other tasks. We may even have some small tasks for the fete as well.

The working bee will be on Saturday 18th February from 9am.

---

**Improve Your Skills Learn to Face Paint**

Have you been keen to help out at the Face Painting but just not sure if you have the skills.

If so then come along to the Face Painting Tutorial. Our expert Face Painter and stall coordinator, Shantelle Dye, will be running the tutorial on Saturday 5th March from 2pm-5pm.

If you are interested please contact Shantelle directly on 0400 836 144.

---

**Request to Helpers Parking at the Fete**

As you would appreciate we have a huge number of vehicles coming through the car park during the day. One single car spot can be used by 3-5 visitors throughout the day. So every additional vacancy can add revenue to our fete by allowing more visitors into the event.

Please consider parking near the Uniting Church across the road and check out their car boot sale or if you live close enough walk to the event.

**Fete Sponsorship**

We offer a variety of levels to suit businesses of different sizes or budgets. Each business will receive promotional benefits according to the category of their sponsorship. We have got a new game call Around The Bend. All the children have been interesting in learning to play it. But Trouble and Battleships have also been played a lot with the children.

The children have been really interested in group games this week. Some of the games are gang up tiggy and octopus.
